pour féliciter 2020

The work *Composition* by Jan Pamuła, founder of the computer art in Poland and one of the most significant Polish contemporary visual artists, presents the latest acquisition of Olomouc Museum of Art. Visitors are welcome to view the original work during the *Triennial of Central European Culture and Art* – the main exhibition project of 2020.

Thank you for your support in 2019 and wish you all the best for 2020.

Jan Pamuła (* 1944), *Composition*, 1987, oil, canvas, 120×120 cm, Olomouc Museum of Art
